The Old West—what was it?

It was beautiful sunsets and majestic horses,

pretty girls and Saturday nights.

It was number three tubs and dust,
good guys and bad guys and good
triumphing over evil.

It was a time of ladies and gentlemen
in the truest sense,
of humility and class.

The Old West was simply the place to
be—just like Belmont!

Staff

Belmont without a staff would be like a day without sunshine—depressing, completely unhealthy, and unable to grow! The amount of work involved in getting students educated is staggering, and without a staff to perform job tasks, the educational process would definitely falter. Belmont is particularly blessed to have the staff that it does! Thank you, staff, for being just like Belmont—number one!

Swinging Sweethearts

In the Hearts of the Swinging Sweethearts

by Diane Chacon

We, the Swinging sweethearts, have many special memories of the past year. Very special in our memories is the East Los Angeles Christmas Parade drill team competition in which schools known for their drill teams were entered. When the time came for announcing the winners of the competition, we were very nervous. Roosevelt came in third. The announcement came the Garfield was second. Who was going to be in first place? Belmont, that's who! We were overjoyed! Tears of happiness were commonplace!

There are other pleasant memories, too—such as the Homecoming game against Lincoln. We paid a tribute to America's 50's and came out on the field at half time wearing levis rolled up to the knees, white bobby socks, and oxfords and we had our hair in pony tails. First we formed a doll and drilled to the American Bandstand theme, "Bandstand Boogie," and then we marched into a bird formation and danced to "Rockin' Robin." We had the crowd cheering for us!

For seven years in a row, the band and drill team have come home with first place trophies in the Echo Park Winter Wonderland parade. This year was no exception—we did it again by coming home with first place and sweepstakes trophies.

We can't take all the credit—we could never, never have done it without our sponsors, Colleen Kunitomi and Josie Tromba, and the marching band under the direction of Bert Coffman.

Yes, this is a season never to be forgotten in the minds of all who shared the joy of being a Swinging Sweetheart!

Cheerleaders

"The Green Machine is coming" was the cheerleaders' favorite cry, as they cheered our teams to victory. The 1976-1977 cheerleaders attended a cheerleading camp during the summer. They left with high hopes and came back with a first place trophy! They surprised everybody with their sky-high pyramids and their soulful cheers lead by varsity song queen Stacey Johnson and Bee song queen Lusil Rumboa.

Marching Band

The Belmont High School marching band has once again maintained the tradition of quality and excellence with outstanding showmanship. This year's marching band consisted of 63 members and has become the largest band since 1967 here at Belmont. The band was headed once again by drum major Mark Del Mar and Mr. Coffman, the band director. Cecile Menjivar, the baton twirler, was the new attraction added to the marching band this year. Together with the drill team, the band provides half-time entertainment for all the varsity football games. In addition, the marching band participated in the Third Annual Band and Drill Team competition and at the Ontario Timex 500 Pageant. They have also captured first place in the Echo Park Winter Wonderland Parade and in the East Los Angeles Christmas Parade. The band also performed in the Chinese New Year's Parade and presented entertainment for the students at Berendo and Virgil Junior High Schools.

Fine Arts

Each year, Mrs. Nicki Searcks has added to her laurels as a drama teacher. After several successes last year, the drama department under her direction, decided to tackle several more productions. One of the highlights of Belmont's growing fine arts department was "Cheaper by the Dozen," a warm and funny story about a man and his twelve children. The cast was headed by Cheryl Terrell, David Huerta, Xavier Gonzalez, Kim Cummings, and Maria Molina.

Bye, Bye Birdie

It has been many years since Belmont has presented a Broadway type musical production, but then, it's been many years since Belmont had a musical director and drama teacher with the drive, energy, and great feat. In Bryna Goodman and Nicki Searcks we have those attributes. "Bye, Bye Birdie" was selected for its youthful glow, humor, and good music. Pictured on this page are a few of the memorable highlights from the show.

Forensics

This year's top achievement in Forensics was won by Robert Ahuna, who qualified for the National Speech Tournament, June 20-24, 1977, in Seattle, Washington.

Robert won this distinction by placing first in Humorous Interpretation at the West Los Angeles District Tournament, sponsored by the National Forensic League. Robert's competition included the best speakers from the public and private schools in the western half of Los Angeles County and the eastern half of Ventura County.

This is only the second time Belmont has had a national qualifier. The other speaker was Richard Seril, who placed first in California and eighth in the United States ten years ago.

Varsity Football

The Surprising Season

by Albert Rodriguez

This year was suppose to be a losing season for Belmont's varsity football team. Many people thought that last year's team had the best group of players since 1969. Last year's team was suppose to be one of the best teams in the Northern League yet they finished fourth. This year's team was assumed to be the worst team in the league by many of the coaches in the league. Well, after the first two weeks of the '76 season, it seemed as though they were correct with Belmont tying Huntington Park and losing to Garfield. Then, during the next three weeks, the mighty Sentinels came to life! Their first victory was on Family Night against Grant High. In the beginning it looked like a repeat of the Garfield game with a score of 21-6 at halftime. But the Sentinels were not to be embarrassed again especially not in front of their parents. They came out in the second half, took it to Grant, and, in the end, came out on top 23-21. The Sentinels won this one in the closing minutes of the game on a field goal by Leon Baham. The following week the rivals were the Fairfax Lions who were out for revenge. Again, the Sentinels got off to a slow start but going into the fourth quarter, with the Lions leading 14-0, Belmont came back and pulled out another win. The big play was made by Robert Villar who blocked a punt. Dan Hayashi picked it up and carried it inside the 10-yard line. There, with ten seconds left, the Sentinels scored a touchdown. and Greg Englis scored the winning two points to give the Hilltoppers their second victory.

The season opener was against a huge Eagle Rock team. Belmont had not beaten this team for many years. This night was to be a surprising night for many people because the Sentinels did a fantastic job of limiting the Eagles to seven points. The offense scored ten points, but the defense deserved the credit for this victory. Top players were senior Ryne Sam Ku and sophomore Robert Lyles, both returned fumbles for two long touchdowns. The following week, the Sentinels played the Franklin Panthers at Franklin. There they suffered their first loss. The third game of the season was against Lincoln. This was the Homecoming game and many alumni were back to see the Sentinels try to accomplish something a Belmont team had not done since 1955—an undefeated season at home. Belmont had a tough time but were not to be denied. They won the game by a score of 13-7—still many of the viewers could not believe how Belmont's football team was winning! The game of the year was against crosstown rival Marshall. That week's practice sessions were full of intensity and revenge. This game was not only for second place, but a Belmont victory would give them the opportunity to play for the championship against Wilson the following week. That night the players came out so fired-up that Marshall never had a chance. The offense put 12 points on the scoreboard and the defense did another marvelous job by not letting the Barristers score. This was a team victory. Not only should all the players receive credit but the coaches, Mr. Maio, Mr. Miyano, and Mr. Kalatzis, should also be congratulated for doing a great job of psyching up the players. The last game was against Wilson at Wilson. Here the Sentinels suffered their worst loss of the season but were still in the playoffs. Belmont ended up tied for second place and finished the season with a first-round loss in the play-offs against Washington.

This will always be a memorable season not only for the seniors but for the coaches who did a great job of making this team a winner. This team not only accomplished many things that seemed impossible, but they made believers out of their fans and, most important of all, themselves. The team would like to thank Coaches Maio, Miyano, and Kalatzis for teaching them the one thing every team needs is love for one another. Without love for one another, this team would have been a loser.

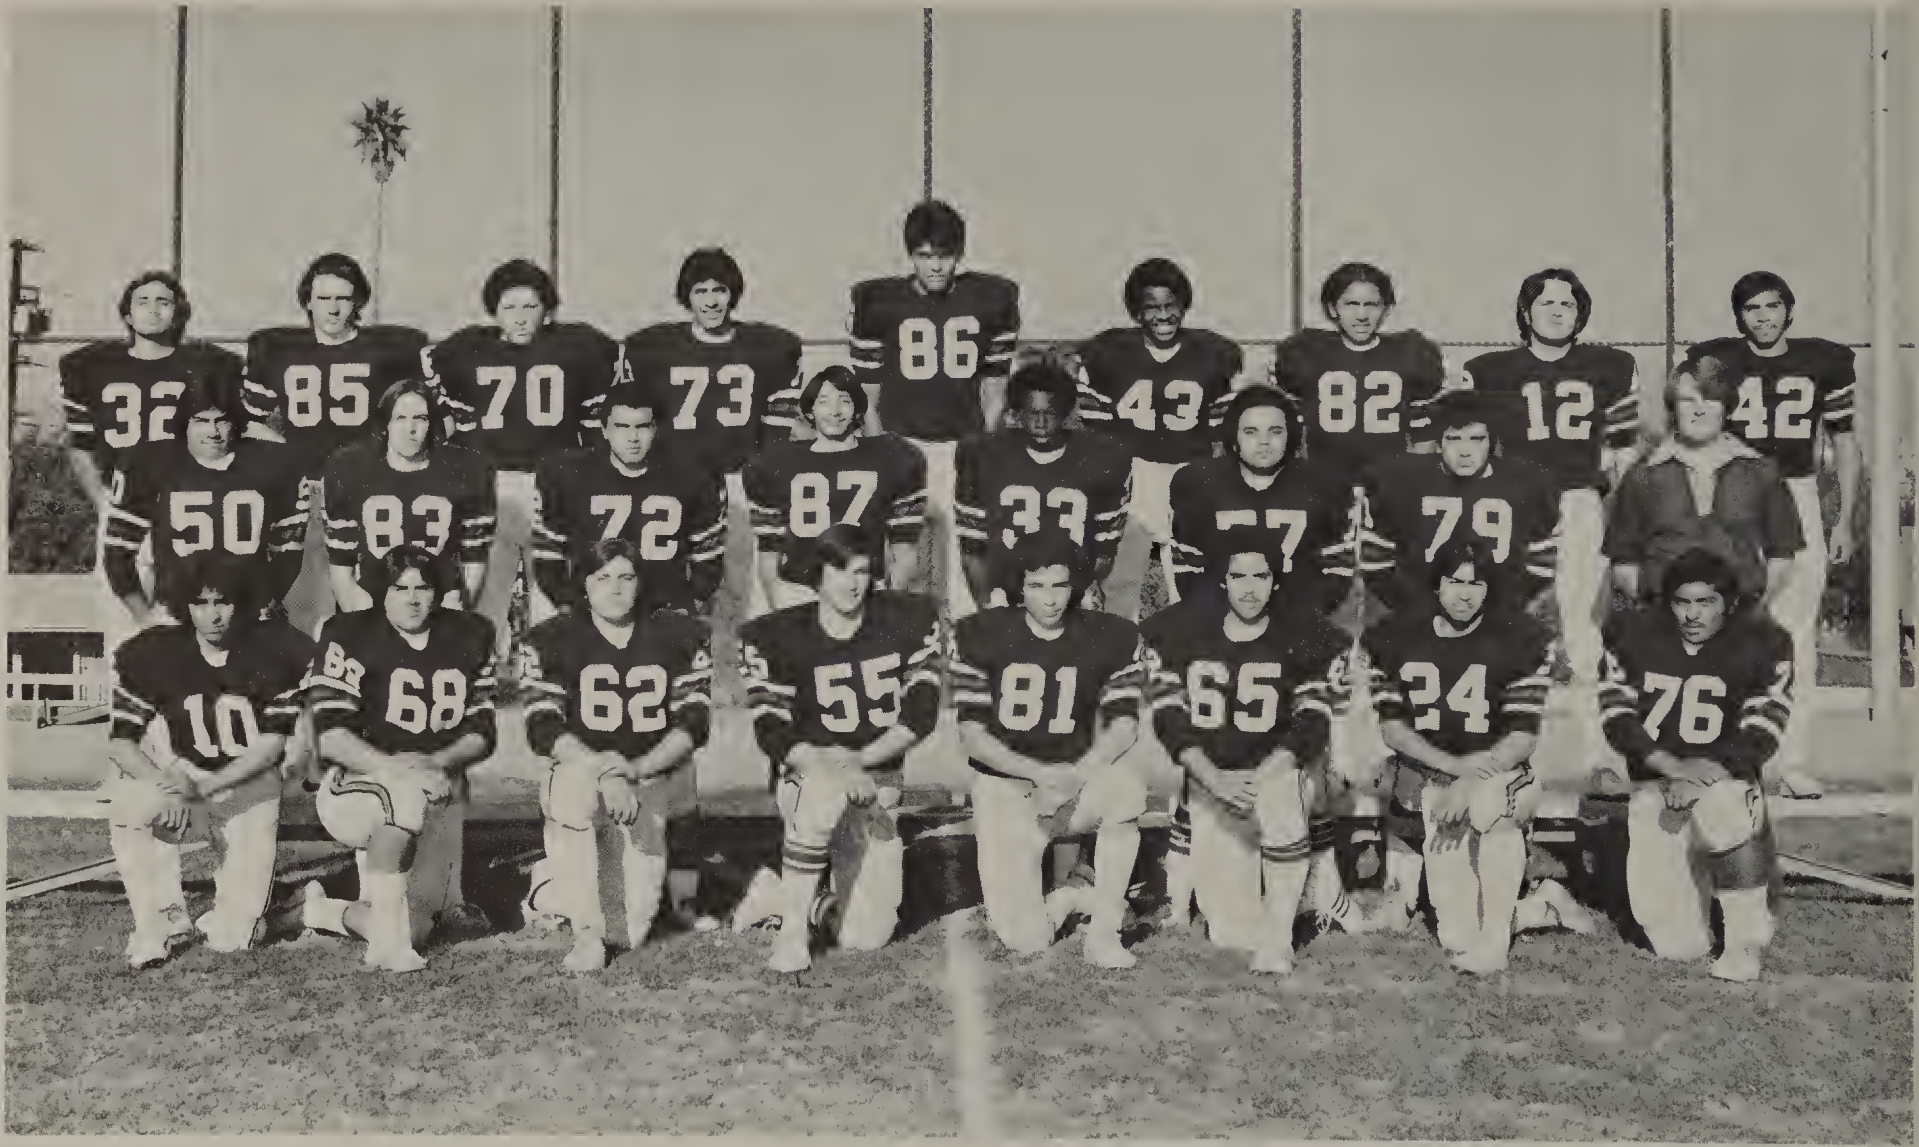
JV Football



This year's Junior Varsity Football team again had a great year under Coach Kalatzis. Winning the Northern League title and running up a six and one record promises next year's varsity squad experience, confidence, and talent. The JV's were led by the expertise of Leno Gomez, Willie Briscoe, Art Virgil, Lawrence Thomas, Joe Macias, and Danny Rodriguez.

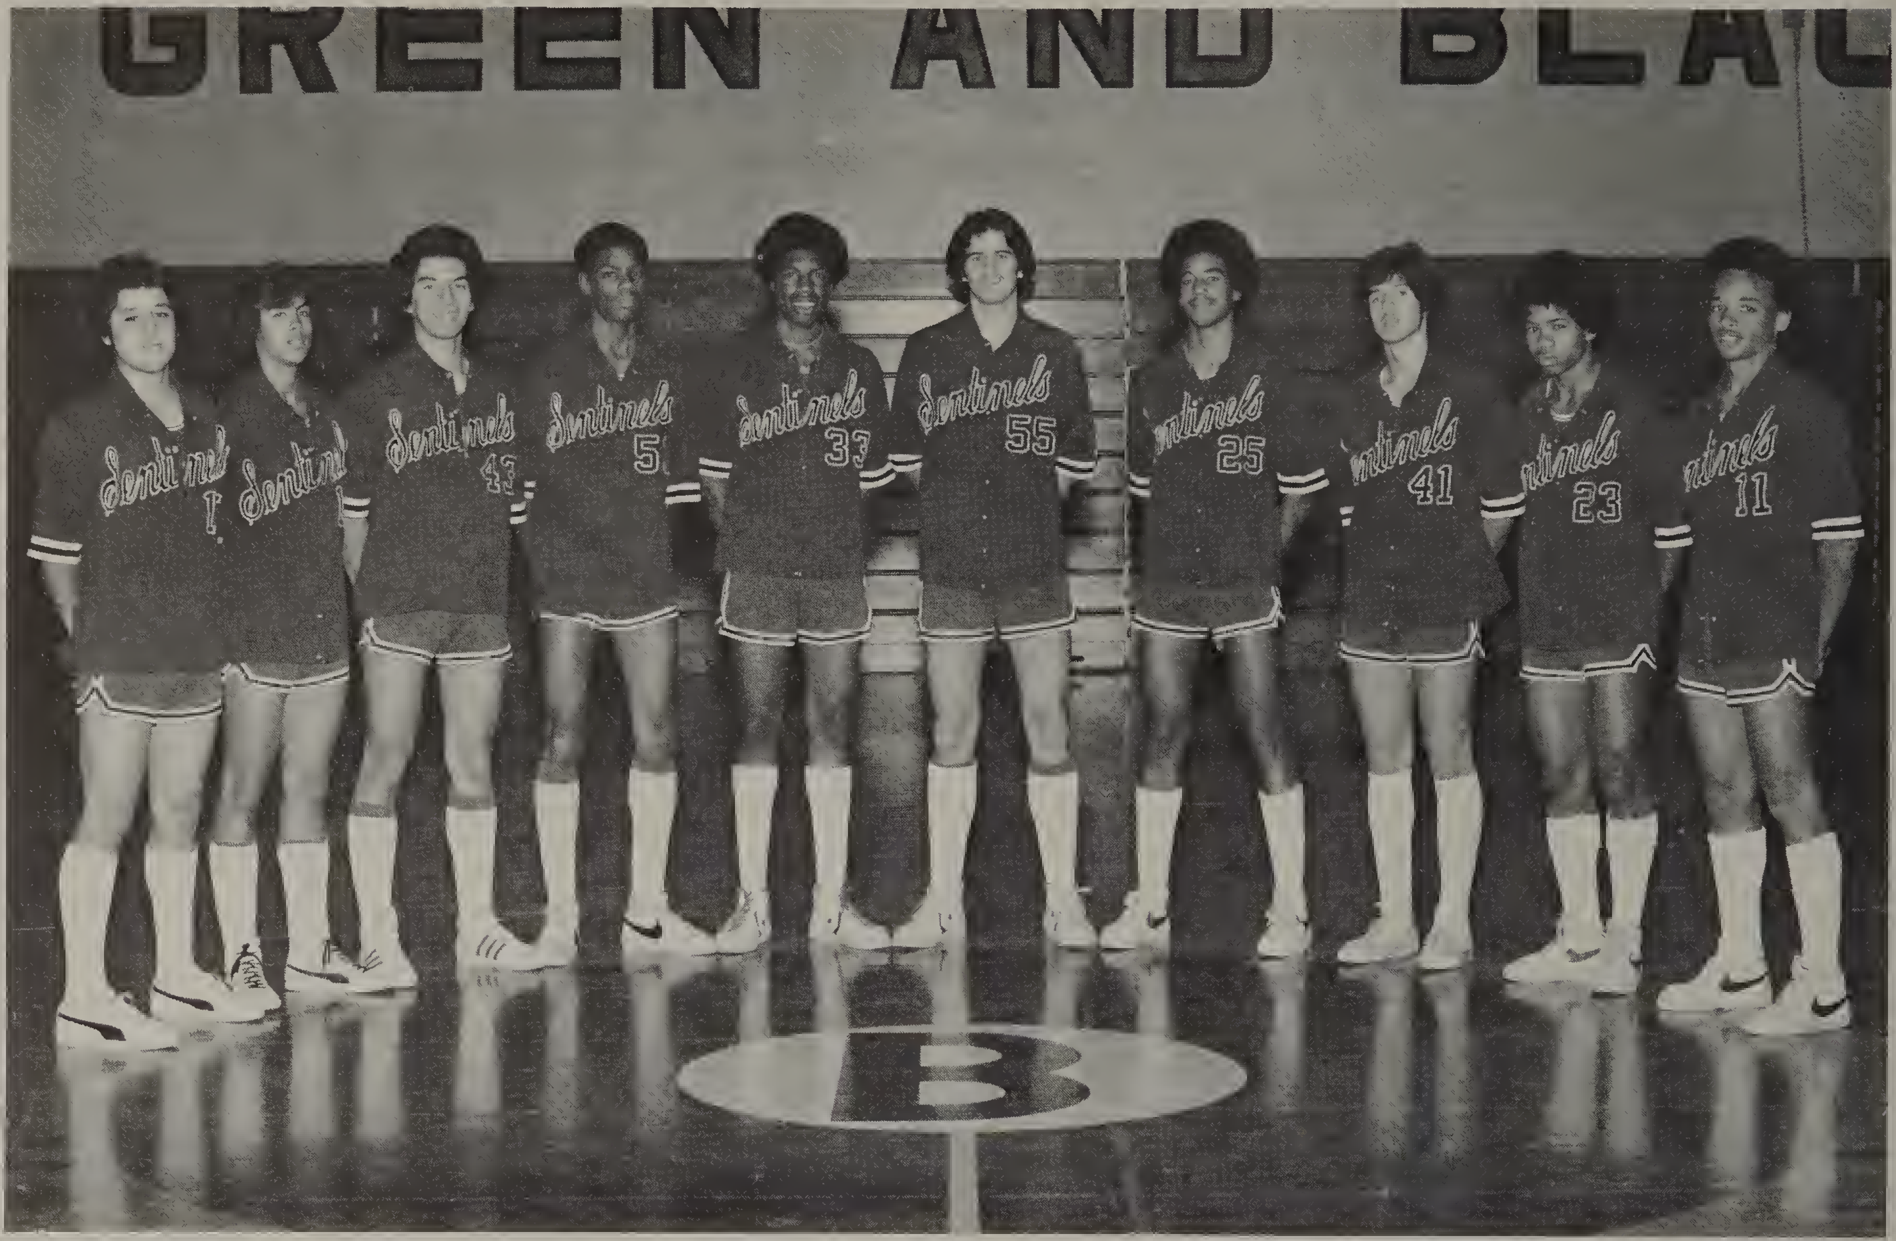
Varsity Basketball



The 1976-77 season, like many more to come, gave Belmont plenty to cheer about. Hustle, blocked shots, pressure defense, dunks, and expert coaching kept the Northern League green! For the third consecutive year, Belmont won the league crown—only this year it was shared with Marshall. Four points kept the Hilltoppers from a perfect season. They lost to Marshall by two (after beating them by 13) and to Wilson by two (in the second round they beat Wilson by 23). If the hoopsters had played all season as they did against Wilson in the second round, no opponent would have come close to them. It has been many a year since that Flawless a game has been played by Belmont—but too often they forgot the style of basketball that made them winners and then came the close ones and the losses.

Greg Slider led the league in all major departments, and his efforts and talent made him a runaway choice for Northern League's Player of the Year. He was also selected to the all-city first team and to the all-league first team. Greg's dunks and blocked shots made him a tremendous crowd pleaser! David Cortes was also an all-league first team selection. David, equally adept at offense and defense, had several tremendous games in which he displayed his pure shooting ability. Nick Somilleda was named to the all league second team mostly for his defensive ability. His offense didn't really sputter but he sacrificed it to play the kind of defense that he did. Nick's defensive assignments were always the toughest and he performed brilliantly. David Coleman was most effective under the basket. His strength on the offensive boards spelled the difference in several victories. When Coleman was not in the game, the tide turned. Leon Baham was a sure-handed, reliable ball handler and floor leader—and he displayed a timely shooting ability such as his buzzer shot resulting in victory against Lincoln. The sixth man spot was filled admirably by Johnny Rubio who has a pretty, picture-perfect set shot. Watch out for him next year! The bench did not get a chance to play a great deal this year but they proved their strength when they did. The strongest ingredient of the team this year was the same ingredient that has been the strongest throughout Belmont's fabulous basketball story and that is Coach Arima, the best basketball coach in the city.

Varsity Cross Country

THE LONELY RUNNERS

by Robert Hanna

Cross Country is truly a lonely sport. Many of the athletes in the sport go unrecognized. Only one to three persons ever come out and watch the teams represent Belmont. Many of the exciting races go unnoticed because people don't appreciate the sport. Nevertheless, teammates cheer each other over hot and dry hills, and across rocks and mud. Whatever obstacles, we managed to overcome them with the hopes that maybe the students of Belmont would see our efforts on the course.

The Cross Country team lost a truly outstanding coach last year when they lost Mr. Felix Pennino who coached various teams for over thirty five years before retiring.

His main principal was, "First you run with your head, then your heart, then your legs." Many of the runners thought of quitting the team but were inspired by yet another outstanding coach Mr. Weisenburger who started another string of victories. He proved his principal for running when he got the team permission to run at Echo and Elysian Parks. His principal is "Get off the cement and on the grass; learn to love to run."

Once again the fantastic tenth grade team of last year came to run, except this time they ran for varsity. Not far behind the Big Man, Mauro Rivero, was the small man Federico Barriga. Following them were Eddie Lopez, Jesus Zazueta, Luis Valdez, Francisco Pacheco, Jorge Miranda. The fantastic team went undefeated until they lost to Wilson by 7 points. They finished fourth in the City Semi Finals. The J.V. team also did an exceptionally good job. They finished fourth in the City Semi Finals. They were led by Edgar Macario, Francisco Zamudio, Robert Hanna, Ernesto Marin, and Olaf Schipper. Leaders for the tenth graders were Hector Perez and Rudy Pantoja. Naturally all the eleventh and tenth grade lettermen will be back to fill in the empty spots of the seniors. Good luck next year, and may Belmont prosper with many fine athletes.

The team would like to recognize its new coach Mr. Wiesenburger for his parent-like attitude, leadership, devotion to the athletes and teachings of life. Many thanks for his help.

This year Belmont's Varsity tennis team promises to be one of the best in Belmont's History. Keswin Naranong, Douglas Haro, Steven Maa, Eddie Vasquez, and Roque Gonzalez are returning from last year's varsity. The remaining members are Rick DelRosario from the J.V.'s and newcomers are Lem Paco, Redante Reola, and Daniel Law. After a 5-1 pre-season record they are ready to capture the Northern League title which has eluded the majority of Belmont's past tennis teams. The J.V. tennis team led by Jorge Gonzalez, Greg Borgos, Andy Gonzalez, and Manuel Pineda, are also looking forward to a successful league season.

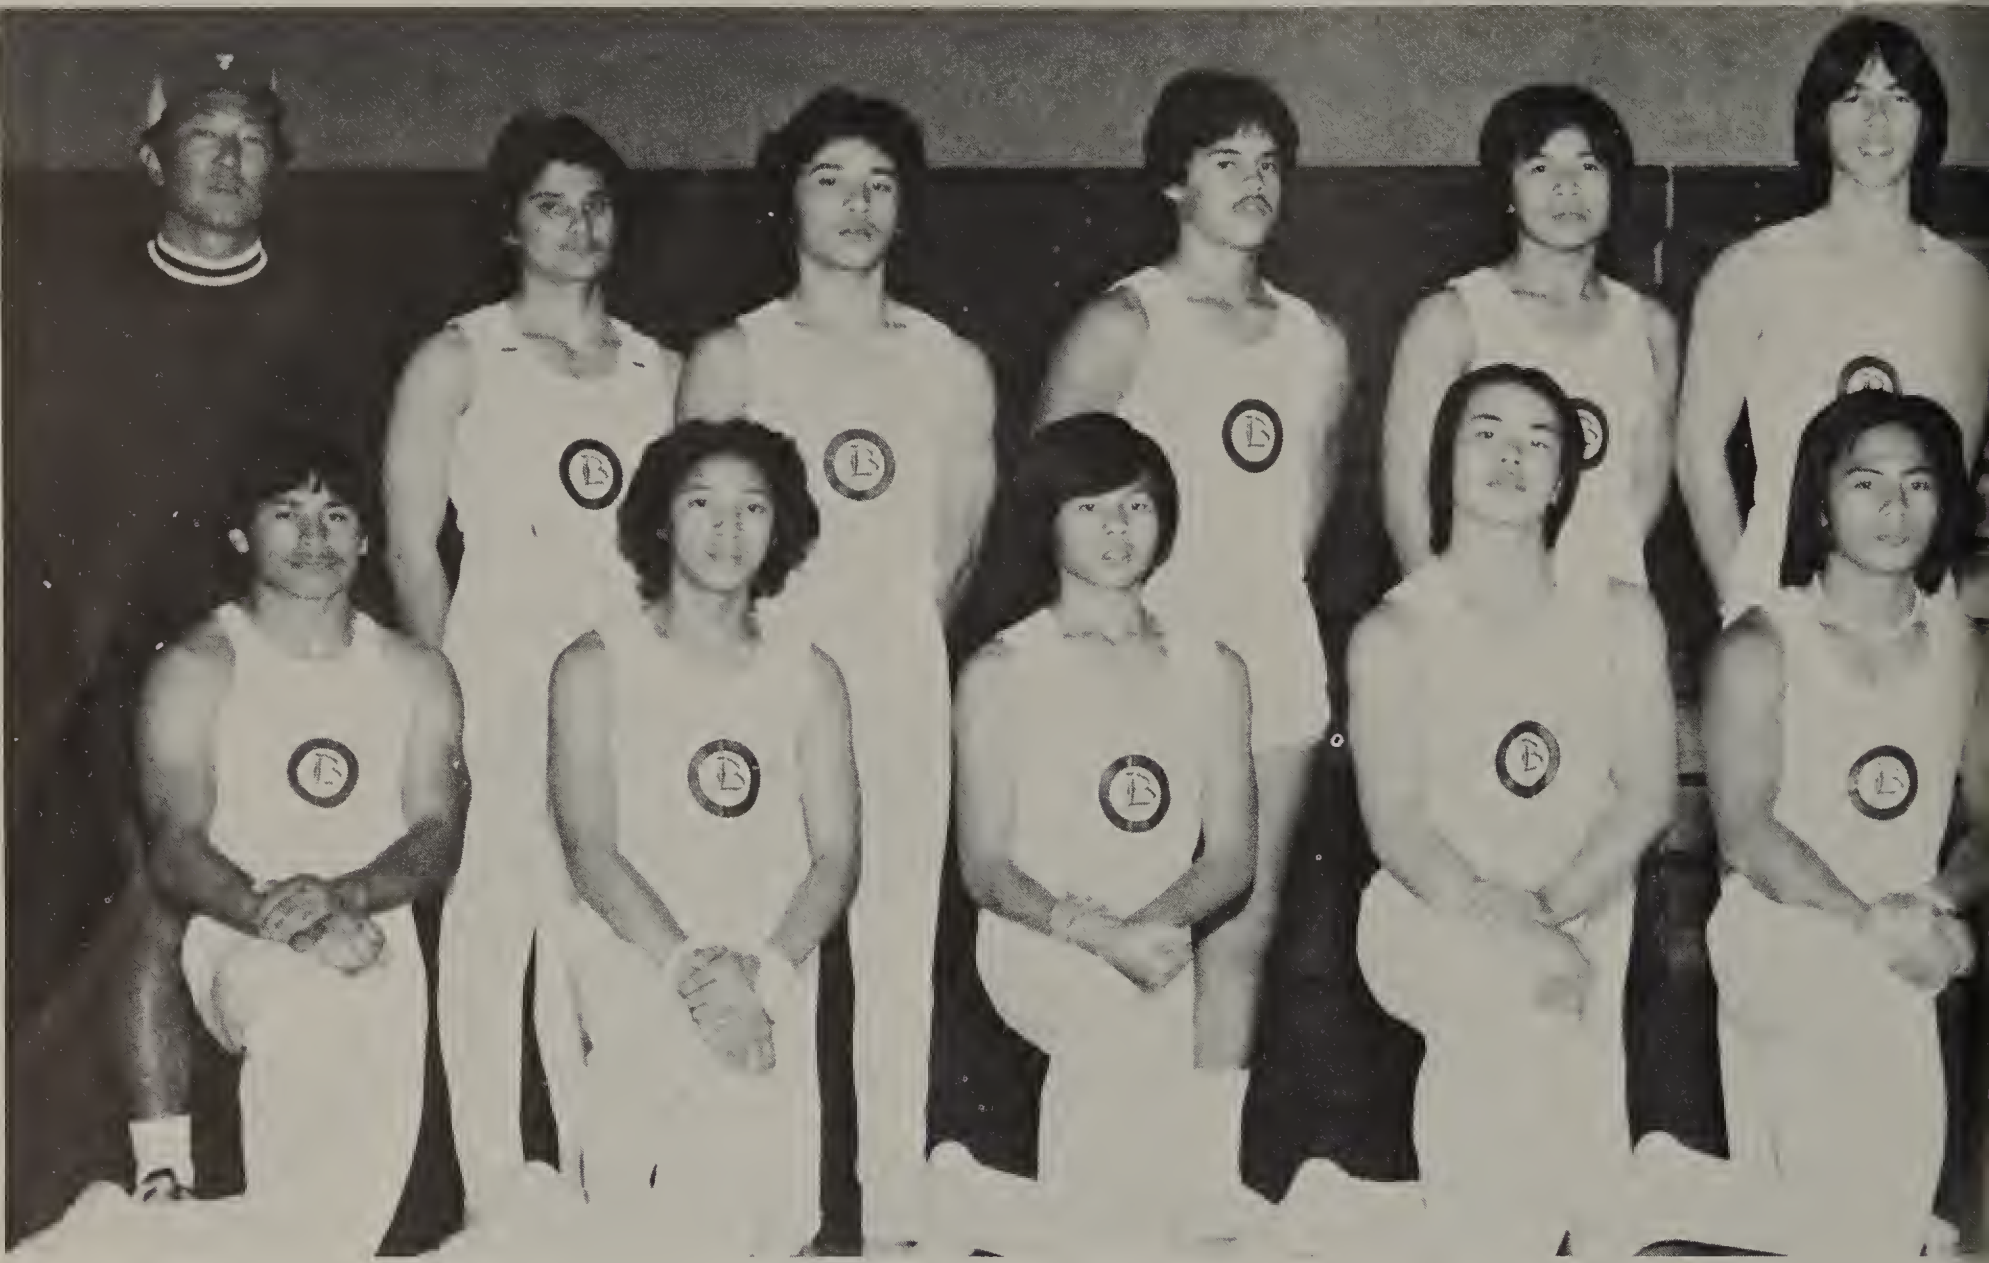
Gymnastics



GYMNASTICS, 1977

by Rankin Pang

Determination, hard work, and spirit are new factors that have entered the Belmont gymnastics scene. This year's team is considered quite strong in comparison to earlier Hilltopper gymnastic squads. We, the gymnasts, are striving to regain the Northern League crown. This title has escaped Sentinels for ten years.

It is ironic that our strong, promising team is composed of mostly sophomores. Their eagerness to learn and fierce determination almost guarantee a powerful '78-'79 team. These outstanding sophomores are Sonny Adajar, Ron Moy, Edmund Tomsio, Michael Chow, Arthur Wong, and Francisco Sandoval.

The juniors on the team also display their skills and talents. Randy Arakawa, Bill Yee, and Donald Campbell make up the nucleus of the pommel horse squad. Raymond Miranda, Robert Bobadilla, Rudy Hernandez, and muscle-bound Vincent Juarez form a promising parallel bar squad. Ried SamKu is relentless in improving his all-around score. George Barrerio, the tumbling wizard, promises to be a strong contender for the individual floor exercise title.

The Belmont gymnastics team revolves around the three seniors, Karl Miyamoto, Rankin Pang and Darren Yuen. The rings, as tradition dictates, is Belmont's strongest event. In the shadow of Allen, Wesdy, and Mason, there is Miyamoto, Pang, and Yuen.

Our spirit and hard work feed the fires of desire — desire for the Northern League title. Need I say more?

Knights and Ladyes

The history of the Belmont Knights is a big and impressive one, spanning a period of almost forty-five years. In the earlier days of Belmont, the faculty and students realized that some sort of organization was necessary for students to assist with various school activities. The idea was to have a practical service organization composed of Belmont's outstanding seniors. Thus, with a selected group of young men, one of the city's first high school service clubs was formed. However, a name was needed. After probing several possibilities, it was decided that this first service organization would be entitled the 'Belmont Knights', named after an exclusive service group at the University of Southern California—the Trojan Knights. In the years following, the Knights became recognized as one of the most prestigious of the honorary service organizations. Probably the one basic factor which kept this organization on the top was its distinguished membership. The rigid standards of the Knights have been diligently upheld; the organization has been exclusive to only those seniors whose scholarship, citizenship, and leadership abilities are the school's highest.

Even today, the Belmont Knights unselfishly serve the school and conduct themselves in an exemplary manner, setting a model for other students to follow. Throughout Belmont's active history, the Knights have been a fond tradition of the school. The Belmont Knights have been a symbol of the school's vigilence and aspiration. The Knights' sponsor is Mr. Olsen.

The history of the Belmont Ladyes is a long and impressive one, spanning a period of about forty five years. During the earlier days of Belmont, the students and faculty realized that there existed a need for an organization to assist with the various activities in which the student body participated. The main objective was to have a creative and constructive service organization composed of the school's top-ranking senior students. The organization which emerged as a result of this idea was a selected group of young women who became known as the Belmont Ladyes.

In ensuing years, the Ladyes became recognized as the measure of quality, the standard bearer for excellence. It was the top, the zenith. Because of its distinguished service to the school and community, this organization has been looked up to as one of the finest. Its members serve as representatives and hostesses of the school—an important function indeed.

Throughout Belmont's history, the Ladyes has been a fond tradition, helping and unselfishly serving, as well as conducting itself in an exemplary manner. This organization sets an excellent example for the other students to follow. The spirit and dedication of the Ladyes are elements that have kept Belmont inimitable. The Ladyes' sponsor is Mrs. Gee.

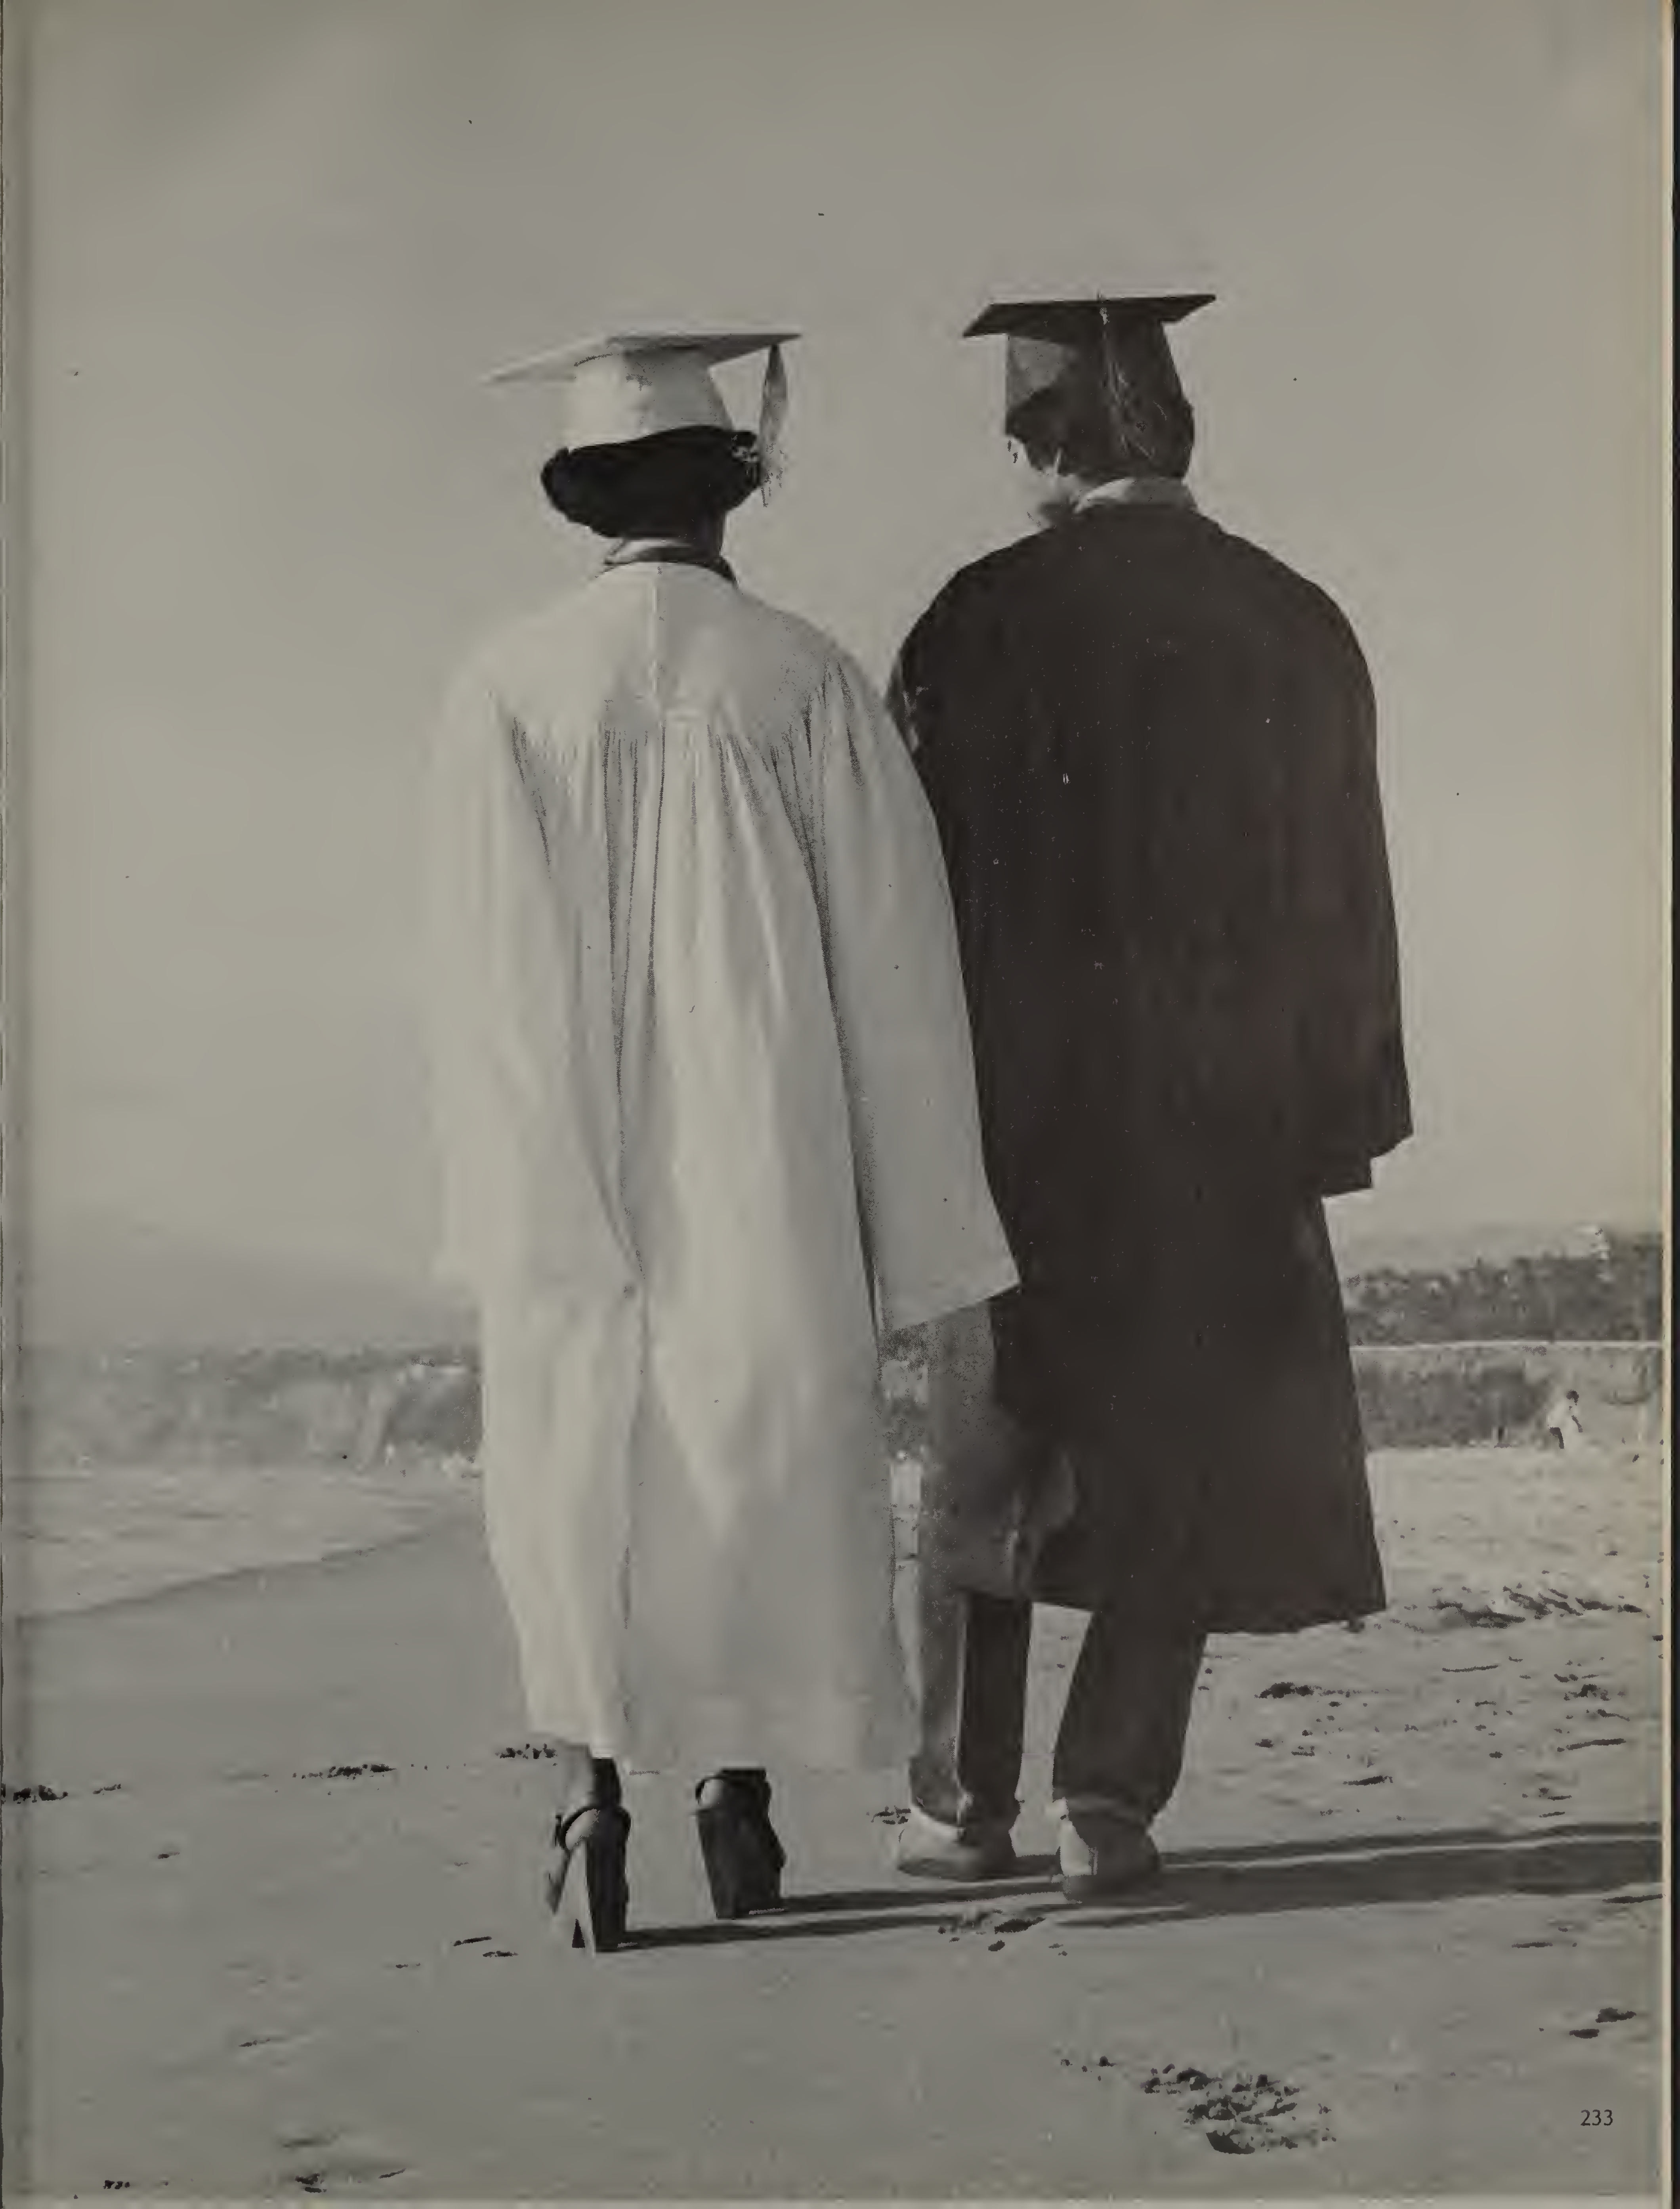
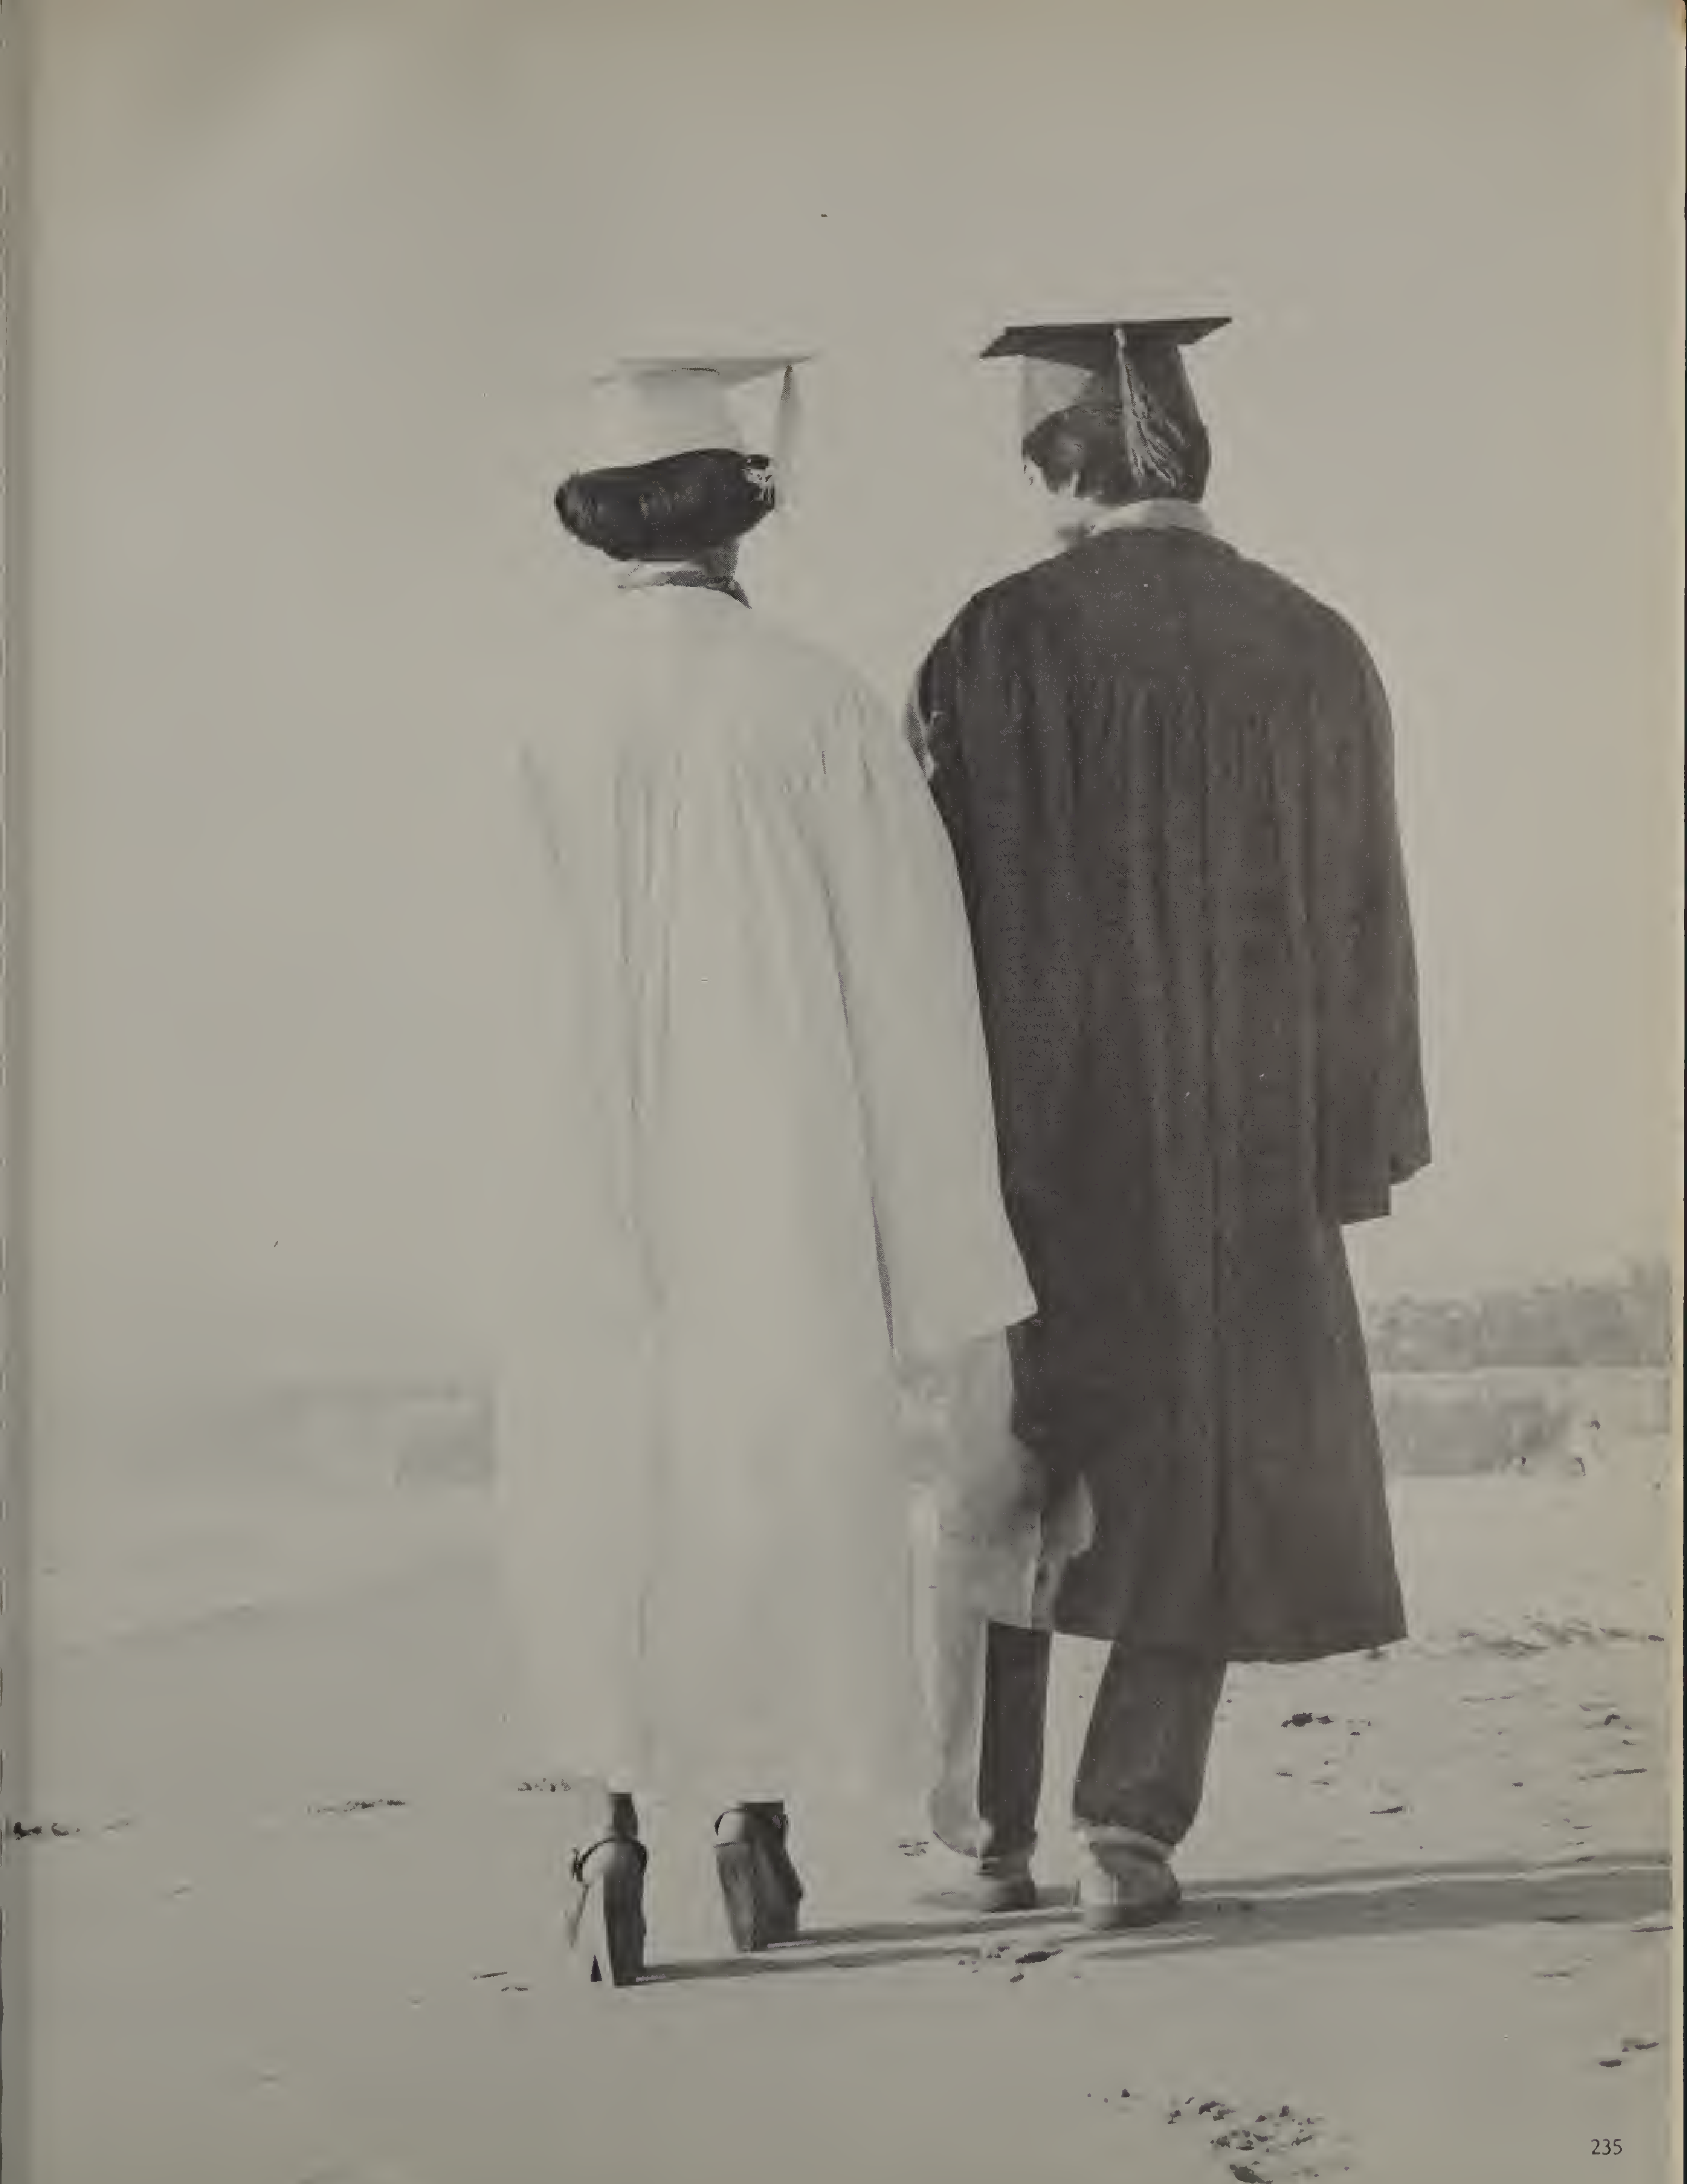
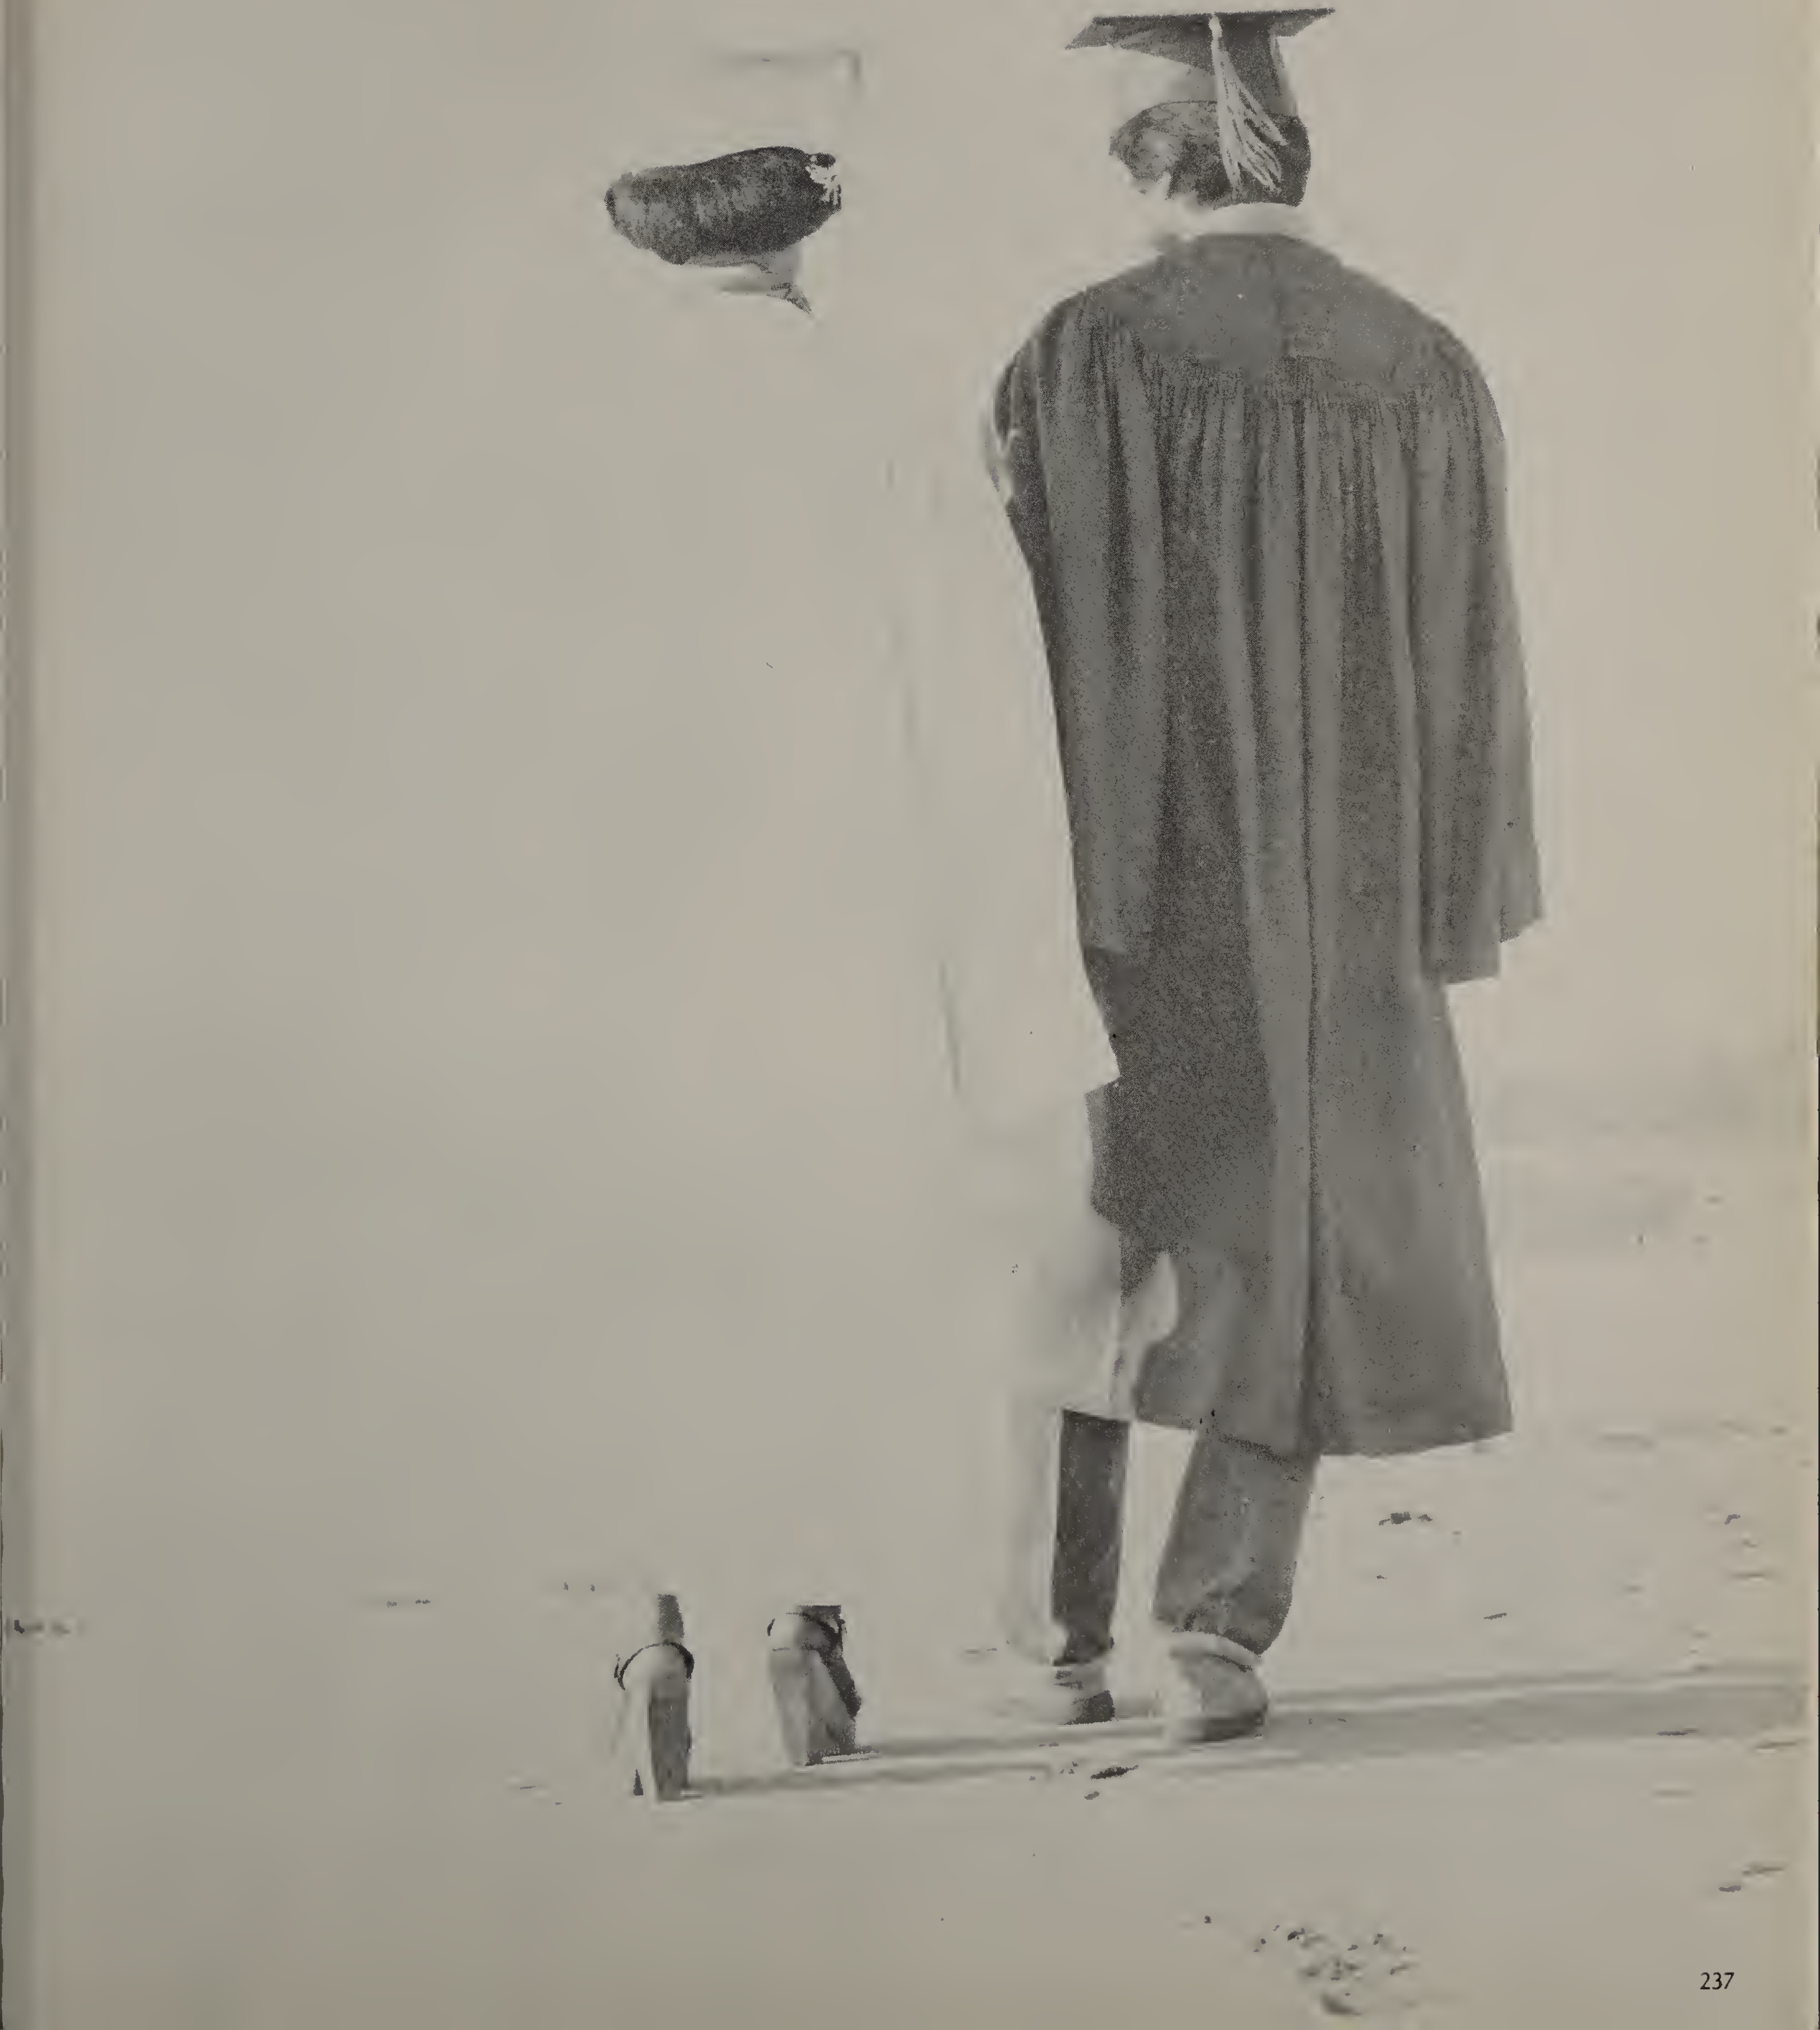
Again, many people need to be thanked for
eir contributions to the production of [illegible]
ok. Eric Cordero, Victor Mosqueda, Ro[illegible]
lk, Jeanne N[illegible], Danny Munoz, and Esteban
anados were all kind enough to give us their
[illegible]graphic [illegible] and alumni Darrell Kuni-
[illegible] Wong, and Art Mochizuki also
lped in that department. As always, the crew
Alfred and Fabris—Al, Laura, Mike, Steve,
e, Jean, Pat, Lorraine, and everyone else—were
solutely superb in their cooperation. Hap Za-
ck was helpful and considerate—and a heck
a good friend. Mark Surdam was gracious

enough to give his time and [illegible] over. Alvin Erdmann donated h[illegible] the Western cause. Thank you, [illegible] students, faculty, staff, and administra[illegible] Mr. Oswald, [illegible] thanking over and over again. And Kathy and [illegible], thank you very much. Without you, there wouldn't have been a yearbook! Also to be thanked, deeply thanked, are the friends not directly concerned with the production—the ones who make the days pleasant like J.B., D.G., S.A., Y.A. and, of course, B.L. Hey, ol' buddy, you are still the greatest guy I know!







CONGRATULATIONS!

Go ape over our Banana Splits!

When you order a Banana Split at Baskin-Robbins, all we do is split the banana!

Choosing three flavors is up to you! Maybe you'd like a Jamoca® Almond Fudge, Butter Pecan and Pralines 'n Cream Banana Split. It's not an easy decision with 31 delicious flavors to choose from!

And it gets tougher with six different toppings: marshmallow, pineapple, strawberry, chocolate, butterscotch and hot fudge. But here's a simple solution . . . try 'em all!

We'll finish with nuts, cherries, and if you like, real cream topping.

Why monkey around with a Chocolate, Vanilla and Strawberry Banana Split, when we've got 31 wild flavors to go ape over!
